To

Secretary to the Government of Mysore,
Local and Legislative Departments,

SIR,

Adverting to para 2 of Government Order No L 125-6 Ml 107-25-- dated the 10th July 1926, asking me to renew my recommendation for the permanent retention after the expiry of the present extended period of the two hands on ₹ 60/- each per mensem sanctioned for the two City Municipalities of Bangalore and Mysore to assist the Senior Auditors in clearing up the arrears of audit of accounts of the City Municipalities and to render concurrent audit possible very early, I have the honour to state as follows -

2 The pre-audit of all claims against the Municipality comprising bills on account of salaries, establishment, contingencies and works has been introduced in the Mysore City Municipality with effect from 1st July 1925 and in the Bangalore City Municipality from 1st August 1926

3 Bills of one kind or other will be presented almost every day for preaudit and in order that the system may work satisfactorily without giving room for complaint, they have to be passed for payment with the greatest promptitude The presence of the auditors in the Municipal Office on every day is therefore indispensible and they should also be ever ready to take up and pass the bills immediately they are presented and maintain the connected audit regis[illegible]. Duri[illegible] the when no bills are received they should check the receipt

portion of the accounts and daily remittances to the treasury and Bank and complete the audit of receipts before atleast the close of the 1st week of the succeeding month and be ready to check the monthly accounts as soon as they are prepared by the Municipal Office

4 As already stated in para 4 of this office letter No LAD 876 dated 21st May 1926 the work of concurrent audit can be satisfactorily done without giving room for any kind of complaint only by posting two hands for the purpose Even if the concurrent audit is abolished and audit is conducted under the old system of post audit, one hand will not be sufficient to cope with the work owing to the increased activities of the two City Municipalities and the audit work would fall again into arrears

5 In these circumstances, I request that you will be so good as to obtain the sanction of Government for making the two temporary appointments permanent in the grade of 30-3-60-2½-65 The period of extension expires on the dates noted in the margin and I request that orders may kindly be communicated to me before the 1st of December next
